A cutie to the extreme. What other way is there to describe Natalia? You could say she's pretty, even beautiful. You could say her long flaxen blonde hair glows in the sunlight. Yes, her breasts are perfect and her butt could be described the same way. But it's her perfect pussy that makes us drool.

“Bear” Necessities

Nothing revs up my juices like...

These days just about everyone is trimming their hedges, both male and female. But that’s not my jam: Hairy guys turn me on. Just the sight of a man’s bushy chest is enough to make my cunt come throbbing to life.

Summertime is the best. There are hairy chests everywhere—guys walking around in the street with their shirts unbuttoned; men catching some sun with shorts and nothing more on; guys at the beach in just their bathing suit...

Now there’s a double whammy! The big bulge gets you from the bottom and then the hairy chest on top. A girl like me doesn’t know where to look first, and while my eyes are wide open staring at all the goodies, my legs are tightly pressed together to put enough pressure on my clit. I really need to rub it when I see those hairy bodies.

Have you any idea what it’s like for a chick like me at the beach? There I am, staring at one hairy chest after another and getting so hot that the sand on my feet is absolutely frigid compared to the way my cunt is sizzling. While the guys are all staring at my tits, I’m staring at theirs. Well, that’s fair, no?

My problem is I get so hot from looking at all those gorgeous hairy male chests that I need relief by the time I’ve walked to the water’s edge. My cunt is so hot that I’m afraid my juices might start running right down my legs.

One time I waded in the water up to my waist. I was splashing around to get cool, though my kind of heat wasn’t going to get helped any by the water. A couple of men with wonderfully furry chests waded near me and I stared at them as if I was observing works of art at the museum (and to me their chests were). I must have looked like a woman possessed; well, I guess I was. My clit felt so swollen and pulsating in my bikini bottoms that I just had to do something right then and there.

I turned around, with my back to the guys, in order to rub my titties. I stroked the nipples inside the top of my bathing suit and then I thrust one finger inside my bikini bottoms and started to finger myself. I had to look at those beautiful chests again so I turned around, trying to keep the movement of my hand inconspicuous as it carefully worked its heated way across my engorged clit.

I was sure none of the men could see what I was doing, but I was sure my face was registering something. How could I keep my facial expression impassive when I was feeling the waves throbbing through me so badly? And I don’t mean the waves of the ocean, either! But I didn’t get off like that. I only succeeded in making my condition worse instead of better. I realized I should try to stop looking at those hairy wonders, but that was like asking an alcoholic to ignore the bottle of bourbon in front of them.

I finally got out of the water and stretched out on the sand to catch a tan. I closed my eyes in order to cool off, but visions of hordes of men with beautiful hairy chests waiting for me to run my fingers through

their lush forests ran through my mind. My hips ground down into the sand and though I tried to keep from moving, I couldn't control myself. My ass did a slow rotation, driven by the intense need I felt in my loins. I finally gave up torturing myself and went home. Once there I called a guy I know to come over and finish what those hairy beach hunks had started.

It's not just chests, either. A man's legs can be sexy too, if there's lots of dark hairs all over them—preferably curly dark hairs. They turn me on maybe even more than chest hairs because they remind me of the hair on their dicks. And that's all I need to make my juices flow out of my pussy like the spring tides.

Best of all, though, is when the guy is well-endowed with a forest of coarse curly hair around his manhood. I love to watch as his dick lies placidly nestled among his deep bushy hairs, looking innocent as a curled-up worm, when it's really a curled-up snake that's lying in. wait, ready to strike at any time. Best of all, I love to be the one to coax that snake to life.

I love burying my face in all that hair when I go to suck his cock. The feel of his thick bush all around my face, tickling my nose, my cheeks and my lips as I swallow his cock, gives me the feeling that I'm lost in his maleness completely, surrendering myself not just to his passions, not just to him, but to the absoluteness of his masculinity.

The coarse feel of his hair spells "man" to me. The hairs aren't soft like a woman's hairs. When I have my mouth down to the root of his cock and my face buried in his forest, I know that I'm surrounded by a man.

The scent tells me too. Clinging to his hairs is the aroma of his manhood, the odor of his maleness, which has permeated the forest of his crotch and reaches my nostrils, reminding me that my face is buried between the legs of a man. As I suck on his cock and gulp the full length of it down my throat, I feel his hair brushing my cheeks, my eyelids, and my chin. I feel the tendrils of hair that cover his strong sturdy legs and lead the way to his manhood. Rubbing his legs to feel his strong muscles and the hairy thicket that grows above them, I gush gallons and move around to position myself so that my cunt is lying flat on his leg and my clit is making contact with his hairs. That way, as I wiggle wickedly against his leg, I leave my creamy wetness on his hairs. Later I will lick his leg clean for him.

Throughout all this I never neglect his chest, my hands are drawn to it, running through the hairs and playing with the nipples intermittently. I love a man whose nipples are sensitive. I can get a charge out of playing with them, and gently pull, tug and rub his hairy chest.

There are other things I love too. One is straddling his chest with my legs spread real wide and my hands pulling my pussy-lips apart. In this position I can rub my hot dripping cunt on his hairy chest, and as my honey drips onto his nipples, skin and, above all, his hair, my clit feels like it's going to burst from the wonderful way that his hairs are tickling me.

Those same hairs can tickle my breasts real great

too. I lie on my back and the guy holds himself over me. As his cock dangles tantalizingly above me, not yet captured by my ravenous cunt, he holds his chest closely above my nipples and slowly sways back and forth, dusting my titties with his chest hairs. That makes me so hot I'd do absolutely anything to please him. A hairy guy virtually makes me his sex-slave.

Really hairy men have pretty well tufted arms as well. One of my lovers gets a charge when I get off the second and third time of the night by riding his arm. He lies on his back, with his hairy arm outstretched on the bed, and I sit astride it. He wiggles his arm below me while flexing his muscles, and the hairs on his arm bristle up against my slippery pink clit, making the fire burn hotter. When I'm close to coming I lean down so my tits flop against his bushy beard. Just when I'm on the verge of orgasming he shoves three fingers up my drenched and throbbing twat. He can get me off two or three times this way.

Even the skin on less-sensitive spots of my body can tingle and come alive at the feel of a man's hair brushing me. A naked hairy body lying next to my own nakedness does electric things to my shoulders, my waist, my arms, and another area of skin that comes in contact with the homegrown ticklers that cover a hairy man's body.

There's one other thing: It often seems like desecration, but whom can you do it to if not a hairy man? I'm talking about shaving. It's such a pity to remove all that sexy foliage, but the power I feel with a razor in my hand is enough of a kick to make up for the temporary defoliation. (Besides, I'd never shave all of a man's body hair; just one part or another, like his legs or arms, or his chest or pubes.) One time, carefully shaving the hairs from around the sturdy cock of a guy named Eric, I got so hot that my vision blurred and I momentarily had to stop what I was doing. I rocked back and forth on him, my cunt-lips opened wide to his hairy legs so my clit got the full benefit of his coarse leg hair.

Even his ass was wonderfully hairy, and when I put my tongue into his crack and thrust it in, his hairs tickled my nose all the way. And he loved the way I went crazy over him.

I hate wintertime, when all the men's chests and arms are covered up on account of the cold weather. It's true. I'm not as distracted by the pursuit of hairy males. I'm not forever fantasizing about getting in bed with this one, or where I could duck into for a quickie with that one. Still, I'll take summertime when I can all but come in my pants from just looking at those wonders of nature. If my cunt throbs for an hour afterward, if my honey drips from between my legs, if my clit feels like it's swollen to three times its normal size… well, it's worth it. I've been thinking lately of moving to a warmer climate, one where I could see hairy, hirsute men at every turn. I wonder if I could sustain such a constant state of turn-on. I'd sure enjoy finding out!

Maybe this is an unusual reaction in a woman; I don't know. Maybe you think I'm exaggerating, but I'm not. I'm typing this with two fingers of one hand and the other hand is between my legs, rubbing my clit on two sides. I've come three times while I'm writing this and the chair is soaked with my pussy fluids. You see, that's the effect on me from even writing about it ... I love hairy guys!

For a long time my BFF tried to convince me to do a sexy photo shoot. I kept hesitating and told her that if she was being so pushy then she should make the first one and see how she liked it. At first, of course, she was reluctant and I teased her about it. Then we got this guy to shoot me and my boyfriend, doing it. So here we are!

Fairway Fuck

STHWACK!

I followed through with my driver and watched the ball sail through the air, hoping against hope that it would stay on the fairway. No such luck. My slice reared its ugly head and sent the ball veering off course.

Way off course.

Had it not been for the expensive homes bordering the country cub course the damn thing would've wound up in Timbuktu. I heard rather than saw the resounding smack of my ball striking the rear of a house.

"Shit!" I tossed my driver to the turf in frustration. "There goes another one!"

I was running out of balls. Most of them had ended up in the water. And golf balls aren't cheap, no sir. Being a lowly amateur with a less than stellar tournament record, I could hardly afford to waste them.

Fred, my trusty caddy of many years, didn't say a word. He didn't need to. His pained expression told me exactly how he felt about the situation. Pack it in, Jake, he seemed to say, go home and lick your wounds and try again tomorrow.

"Forget it, Fred," I told him. "Come hell or high water I'm finishing this round, even if I have to go swimming for those damned balls."

"Too bad I forgot to pack your flippers," he muttered.

"Funny, Fred, real funny."

"I'm serious, Jake. You only have three balls left."

I did some mental math. I had twelve holes remaining to make eighteen. Twelve holes, I thought, and just three lousy balls. I would never make it, not the way I was playing. It pained me to wave the white flag, but that's exactly what I did.

"You're right, Fred." I retrieved my driver from the turf and handed it to him. "Let's go back to the clubhouse and get drunk."

"Now you're talking."

Carts weren't permitted in competition, so I never practiced with one. We turned around and headed for the clubhouse. I welcomed the long trek. After playing so poorly I needed to walk and clear my head of negative thoughts.

We couldn't have slogged more than fifty yards before Jake yelled, "Look out!"

I ducked, narrowly evading the ball as it ricocheted off the trunk of a large oak tree. The ball hit the ground, rolled for a few feet, then stopped just inches from my caddy's left shoe. Jake plucked it from the ground and straightened, turning the ball this way and that as I came over to take a look. The ball had been wrapped with paper and sealed with a strip of tape. We scanned the area to no avail. Fred and I were the only golfers on this section of the course.

"It must've dropped from space," I told him.

"Guess so," he said.

He peeled the tape and smoothed out the paper. Upon closer inspection I saw that the ball was mine. The paper was an old receipt. A message had been scrawled on it with a red ink pen.

"What does it say, Fred?"

"Come on over, boys," he read. "We'll have ourselves a ball . . ."

"That's strange," I said.

"I'll say." Fred raised the note to his face. "Smells like perfume."

I was going to ask him for a whiff when the sight tied my tongue. I did a double take, hardly believing my eyes.

She emerged from the property I had just peppered with my errant tee shot, a blonde vision straight out of a pulp novel. Her black bikini left little to the imagination. Hers was a body to die for. The mystery of the ball from

BLAIR-NTS-09

space was solved. She held a crossbow in one hand; the weapon dangled beside her shapely leg as she stood there like Hollywood's version of the ultimate sexpot assassin.

"Wow," Fred said.

I had forgotten all about my ball, but not the note. Her invitation was far more enticing than getting wasted at the clubhouse bar.

I looked at Fred. "What do you say, caddy?"

"I say we have ourselves a ball, Jake."

"Sorry about the ball," I said to the blonde by way of an icebreaker. "Hope I didn't break anything . . ."

"Another inch and you would've cracked a window."

"I guess it's my lucky day."

She skirted the privacy hedge and opened a wooden gate. Fred and I followed her into the backyard. I don't know about my caddy, but my eyes were locked on her spectacular rump. The skimpy bikini brief hugged her tight cheeks, dipping ever so slightly into the crevice of her ass.

"Nice pool," Fred remarked.

"Fred's my caddy," I told her. "I'm Jake."

"Jenny." She looked at Fred. "Those clubs must be awfully heavy."

"You get used to it." He unburdened himself of the cumbersome bag and propped it against an old fashioned brick barbecue.

I regarded the crossbow in her hand. "You're a pretty good shot with that thing."

"Practice makes perfect," Jenny said. "Would either of you care for a drink?"

Our hostess made a mean Manhattan, even better than Rodney at the clubhouse bar and he made a damned good one. I was impressed. What couldn't this beautiful blonde do? She was a master mixologist and a crack shot with a crossbow, forgoing an arrow for a balata coated golf ball. I wondered, of course, how she was in the sack.

Thankfully I didn't have to wonder for long . . .

"My husband will be back shortly." Jenny rose from the patio table where we had been enjoying our drinks. "We had better have some fun while there's still time . . ."

Fred and I followed her upstairs like a pair of obedient dogs. Jenny swayed her narrow hips for our benefit. My heart raced. Fred sighed dreamily. The master bedroom was spacious. A large picture window provided a panorama of the sixth fairway.

"Nice view," I remarked.

"If you like that," Jenny replied, "you're going to love this."

Her bikini top had a front closure; she raised her hands and freed herself of the black garment. The sixth fairway could hardly compare with her tits—stellar half melons capped with perky brown nipples. She kneaded them slowly, licking her lips as she did so. Jake and I undressed hastily; this while Jenny peeled her bottom and dropped to the plush carpet. She closed the short gap between us, crawling on all fours as we stood there stroking our considerably hard cocks.

"Nice," she said. "Just what I wanted . . ."

She gobbled me first, perhaps because I was the golfer and Fred just my lowly caddy. But I didn't feel bad for the guy, not in the least. It wasn't like Jenny had forgotten about him. While sucking my dick, she serviced him with her hand, priming his prick with a deft tugging motion which made him gasp delightedly.

I stood there in awe, the lucky recipient of a topnotch blowjob. Today's poor performance on the course was all but forgotten. I had more important things on my mind, like fucking this crossbow wielding, country club cunt!

Not that her oral skills were lacking. Jenny knew a thing or two about giving head. She sucked my balls and everything.

It wasn't long before she pulled a switcheroo and devoured Fred. Not content with the passive role, my caddy grabbed the top of her head and fucked her face. Jenny gagged and moaned and slobbered all over his schlong. Still, she kept right on stroking my cock.

Things progressed in this manner until our hostess withdrew from Fred's dick. Releasing me, she moved to the bed. Jenny lay there with her legs spread, petting her pussy in anticipation of our cocks.

Ever faithful Fred deferred to me. As my longtime caddy it was second nature to him by now. Sure, I could have taken advantage of my position and balled her first. But I didn't. I was feeling charitable. I told him to go ahead and do her.

"You sure, Jake?"

"Go on, Fred. Fuck her good. Make me proud."

And he did.

Big time.

Cock in hand, I stood there beside the bed and watched with admiration as he screwed Jenny good and proper. She moaned and wrapped her legs around his waist. Fred humped and hammered with impressive stamina, especially considering that we had already walked a considerable distance on the golf course.

Her head just inches from the edge of the bed, our hostess opened her mouth and panted as she took every inch of hard caddy cock. Unable to resist, I walked over to that side of the bed and filled her gaping mouth. Jenny's lips felt wondrous as she pumped her head back and forth, sucking me as Fred banged her box.

I explored her tits with my hands, rubbing and kneading pliant flesh, twisting and pulling stiff nipples. All the while she kept right on servicing me, her lips sliding up and down my rigid pole with increasing urgency.

Fred pulled out and looked at me. "Your turn, Jake. Come on over here and fuck this fine pussy . . ."

"Don't mind if I do, Fred."

I took my caddy's place between Jenny's thighs. Fred walked over to where I had been standing and stuffed her mouth with his cock. He hadn't been lying. Our hostess definitely had a "fine pussy."

Tight – Hot – Wet

Recalling what she had said about her husband returning shortly, I fucked her faster than I would have preferred. Still, I enjoyed myself immensely and wasn't about to complain. Thrusting my hips frenziedly, I pounded her poontang in a relentless march to the finish line. Jenny knew that I was near, knew that Fred was near, too. She told us to come on her tits. We did just that.

Jake withdrew first, sliding out of her mouth seconds before I pulled out of her gash and joined him on the side of the bed. We hunched over her chest and exploded all over those spectacular peaks of hers, topping them with a hefty helping of ball sauce.

Fred and I bid Jenny adieu and resumed our long trek to the clubhouse. We had covered about a quarter mile when I suddenly stopped.

"You okay, Jake?" Fred asked.

"I'm fine," I told him.

Jenny had given me a parting gift.

And I intended to use it.

I loaded a fresh ball into the weapon. Raising the walnut stock to my shoulder, I took aim and squeezed the trigger. Fred hollered with joy. My ball punched through the sky, straight as can be, and landed right smack in the middle of the fairway.

"Beautiful." He patted me on the shoulder. "You're a natural, Jake."

My spirits buoyed, I decided to resume play. I finished the round at two under par. And I didn't lose a single ball.

Why use a lousy set of clubs when you've got a crossbow!

I got these stockings and garter belt for a Valentine's Day present. Honestly, I've never worn them. I'm a yoga pants kinda girl. But when I was booked for a shoot, I thought they would be perfect. What do you think? When the photographer asked it I would get more risqué, I pulled out my trusty lavender vibe, and blew her mind!

this is what kissing leads to...

kristina & hannah

He was surprised when I finally told my boyfriend that I wanted to fuck a girl, and he could watch. He said that he was okay with it. I assured him it would not affect our love life.
